Reception Newsletter Spring 1 2023

5th January 2023

Dear Parents and Carers,

Happy New Year! We are excited to start a new term in Reception and hope you all had a good holiday.

This term our learning will be based around the theme 'Seasons – the weather around us'. We will be paying close attention to the weather and will be making careful observations of what we can see around us. It is a great opportunity to spend time in our school garden studying the plants and wildlife and we will also be learning about animals that live in different climates. The topic will continue into the Spring and we will be able to learn about the life cycles of plants and animals along the way.

Our daily phonics and maths sessions will extend the children's knowledge and we will carry out a range of guided tasks alongside free flow activities throughout the day.

Your child will bring a reading book home each week, please return on Thursdays for a new book to be issued. You can also access a range of phonic books on your child's Bug Club account

www.activelearnprimary.co.uk

Log in – your child's name

Password - changeme

Please see attached topic grid for further information on how the EYFS curriculum is delivered through our topic and through free flow activities.

P.E lessons continue to take place on Friday mornings, please send your child in with their P.E in a bag, they will change in school. Please make sure all items are labelled.

As always please do contact me or speak to me at drop off or pick up if you have any questions or concerns. The school email address is admin@reay.lambeth.sch.uk, they can forward any messages to me if you wish to contact via email. Please follow us on Twitter @mrsrachelreay @reayprimary for updates too.

We are looking forward to another busy and exciting term ahead!

Yours sincerely,

Caroline and the Reception team
