Pupil Photograph Consent Form

Sharing Success

At Reay Primary School, we believe it is important to showcase pupil's work and successes. This can be through photographs and video on display within the school building, in the classrooms, in printed publications, on our school website, school blogs or Twitter. Pupil's names will **not** be used to identify them; however, if there is no photo, we may use their first name only.

We need your permission to take photos and use them in the ways described above. If you are not happy for us to do so – we will accommodate your preferences.

IMPORTANT: Please tick the relevant boxes below and return this form to the school office.

I am happy for the school to take photos and/or videos of my child.

I am also happy for the photos and/or videos of my child to be used for:

displays within the school building and in classrooms.

printed publications, for example, the school newsletter.

the internet: on our school website, the school blogs or the school Twitter account.

OR:

I am **NOT** happy for the school to take or use photos of my child.

If you change your mind at any time, you can let us know by contacting the school office.

Parent/Carer Name: _____

Parent/Carer signature: _____ Date: _____

Why are we asking for your consent again?

You may be aware that there are new General Data Protection Rules being introduced from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.

If you have any other questions, please get in touch.
